

## The Keratoconus Group

You are welcome to join us for our AGM and Speaker Meeting at the Moorfields Educational Hub  
15 Ebenezer Street, N1 7NP  
(close to the main Hospital)  
on Saturday 28th March at 11:00am

Our guest speaker will be Dr Waheeda Illahi, Head of Optometry at the Birmingham and Midland Eye Centre (BMEC) giving the talk that had to be postponed from our October 2025 meeting.

The title of her talk is 'Keratoconus and other health conditions: any cause for concern?'

This is based on a highly important survey carried out by the BMEC optometry team with 500 keratoconus patients, the results of which should lead to significant improvements in KC hospital care.

*This is a great opportunity to meet other members of the Keratoconus community*

The event is free, we just need to know about numbers so please register by email to:
